

Nova Training, 111 Halesowen Road, Netherton, Dudley, DY2 9PY

Aged between 16 and 18?

Would you like to train & gain a qualification within the motor vehicle industry

Recruiting Now For Our Access to Apprenticeship Programme

Nova Training in Netherton is now recruiting for the Access to Apprenticeship programme. The programme offers people aged between 16 and 18 the opportunity to work towards a recognised Qualification and skilled employment within the motor vehicle industry.

The Motor Vehicle Technician programme allows you to put theory into practice within an automotive training environment. Covering all aspects of vehicle repair and maintenance, this also includes completing a portfolio demonstrating newly acquired skills and knowledge gained throughout the programme.

Access to Apprenticeship students will attend the Nova training centre on a weekly basis, where they will be assessed and guided through their training and development.

For more information please email info@novatraining.co.uk or you can simply call the centre on:
